

I am greatly concerned by Sinclair Broadcasting's decision to force their stations to carry "Stolen Honor" just days before the election. This program is not news, as Sinclair claims, and unless it is balanced with something from the Democratic side of this contest, it is not in the public interest. Sinclair's use of the public airwaves places it under obligation, by law, to serve the public interest. If it is in the FCC's power to intervene in this matter, I sincerely hope it will do so. In any case I will do everthing in my power to contest the continued licensing of Sinclair's stations.
Thank you.
